## FOR IMMEDIATE RELEASE

CHARLESTON, IL--With a NCAA I-AA tournament berth hanging in the balance, Eastern Illinois University's football Panthers finish the regular season at Western Kentucky University Saturday (Nov. 12).

Game time is 1:00 p.m. CST at WKU's 19,250 seat Smith Stadium.

The Panthers, ranked with Tennessee State in a tie for 11th in the latest NCAA I-AA poll, are 8-2 overall and champs of the Mid-Continent Conference.

Western Kentucky, which is an independent after dropping out of the Ohio Valley Conference two years ago, is 2-6-1.

"We still think we control our destiny . . . that a 9-2 record would be sufficient to get in the playoffs," said Coach Al Molde.

Western Kentucky, which started with five straight losses, has bounced back to win two and tie another in its last four games. Last week it lost a 26-7 contest to Ohio Valley Conference leader Middle Tennessee. The tie was against the defending national champ Eastern Kentucky.

"They've obviously played much better of late. Starting with five straight losses really puts you in a hole but they're starting to dig out and the tie with Eastern Kentucky certainly increased their confidence," said Molde.

MOLDE ON EIU: "The defense is playing extremely well. They may bend but they don't break, and come up with the big plays when needed. I thought the offense moved the ball last week but we need to score when the opportunity arises."

MOLDE ON WKU: "Western Kentucky's defense is good and with (Paul) Gray at middle linebacker they have someone who can go from sideline to sideline. Their program has been very solid for years so the record is not indicative of the quality of team they have. It'll be tough at their place."
